So how did you do? Lets look at the scoring chart below:

1-25 - Disney Noobie: You need to be a bit more adventurous and really branch out at Disney World. Try new things, use those snack credits to their fullest.

26 - 50 - Disney Foodie in Training - Getting better. You probably have kids and are stuck visiting the Buffets every visit. You drool over Disney Food Photos and have a mental checklist of things you want to try.

51 - 75 - Disney Foodie - You have been around the park. You know what you like and try to get out and try new things all the time. You probably blog about Disney or fill your Facebook wall with articles from Chip and Co or Disney Food Blog :)

76 - 100 - Disney Food Addict - Someone get this person a Dole Whip cause you have earned it! You are the Elite! People come to you when they have food questions. We need for you to join us on the site and blog about Disney Food for a living!
